‘Hands of Faith receives help’

May 12, 2010

Hands of Faith would like to acknowledge recent grant receipts from the following: Blackhawk State Bank Trust (made possible through the Stateline Community Foundation), Hendricks Family Foundation, First American Credit Union, the Beloit Area Ministerial Association and the Trans Canada Corporation.

Hands of Faith, a Stateline United Way member agency, is a 14-bed emergency shelter for homeless families here in Beloit. Generous community outreach such as this has allowed our program to assist homeless families for over eight consecutive years.

For more information, please call 608-363-0683.
